FAQs: Bilingual Education to a Teaching Certificate and Advanced Certificate in Teaching English to Speakers of Other Languages (TESOL)

Q: What is the difference between 'NYSUT ELT Courses' and 'Mercy Courses'?

A: NYSUT ELT Courses refer to specific Mercy College courses that are delivered through NYSUT ELT at a reduced rate.

Q: I took a Teaching English to Speakers of Other Languages as part of my TESOL degree with another college. Do I need to take this course again for the Bilingual Extension?

A: Graduate courses taken at other institutions prior to admission to the graduate program at Mercy College may be credited. The request to transfer credits must be made at the time of admission and include official transcripts and course descriptions. Transfer credit is limited to six semester hours of credit for courses taken within the last five years in which the student has received a grade of B or better. Transfer credits are not recorded as part of the GPA.

Q: What is the cost of the program?

A: NYSUT ELT courses are offered at \$1,220 per online course plus the cost of the textbook(s). The remaining Mercy College courses are offered at the college's tuition rate, and can be found on their website at: <https://www.mercy.edu/admissions/financial-aid/tuition-and-fees>.

Q: Must the 12 credits in a foreign language be completed before beginning the TESOL program?

A: In order to **complete** the Advanced Certificate in TESOL, Mercy College requires that students have 12 credits in a language other than English (*must be the same language*). The language requirement does not have to be completed prior to taking the ELT course work or prior to matriculating with Mercy. The credits can be obtained either from the College Level Examination Program (CLEP) or undergraduate course work.

Q: How will I complete the clinical practice experience required in the 12-credit TESOL Advanced Certificate program as I am currently a full-time teacher?

A: The Advanced Certificate in TESOL program requires a 100 hour clinical practice experience (fifty hours at the elementary level, fifty hours at the secondary level) of teaching ESL to English language learners (ELLs) and four site-based observations. Mercy College will set this up with you after you have been accepted into the TESOL Advanced Certificate program.

Q: What are my next steps after completing the courses with ELT?

A: After completing the NYSUT core courses with a grade of B or above, you will formally apply to Mercy College's graduate program to complete the remaining course requirements. To apply, you will complete an online graduate application (<https://www.mercy.edu/apply-now/graduate-admissions-online-application>), submit a \$40 nonrefundable application fee, official baccalaureate transcript(s) and any other supporting documents that may be required depending on the program of interest.
