

Fall 2024 Remote Learning

September 1, 2024

To Whom it May Concern:

Welcome to NYSUT Education & Learning Trust's (ELT) Remote Graduate Course Program! NYSUT ELT is committed to offering diverse opportunities for professional learning to NYSUT members across the state. We deliver coursework on-site, online, and remotely. Our courses are approved through our college partners, ensuring top-quality, research-based, and practical learning that adheres to course guidelines, requirements, and syllabi.

Remote learning will be synchronous, fostering dynamic interactions between peers and instructors. We are proud to be a CTLE provider and are confident our participants will have the educational experience they expect to enhance student achievement and meet certification needs.

Sincerely,

Peter Applebee
Director
