ELT Professional Learning Courses and Seminars

Brother and Sisters,

Please join me in celebrating 40 years of NYSUT's Education & Learning Trust's graduate and undergraduate course work, in-service programs, degree partnership programs and seminars that provide high-quality professional learning! That is 40 years of hands-on experiences, based on current research with you, a NYSUT member in mind. Did you know that ELT has been approved as a Continuing Teacher and Leader Education (CTLE) provider by the New York State Education Department? That means all participants successfully completing courses and seminars offered by ELT will receive a certificate of completion with ELT's sponsor identification number to be used toward CTLE hour fulfillment.

ELT can be as close as your own NYSUT Regional Office, Teacher Center and/or School District! Moreover, as your time is valuable, we can even meet you online. Any way you look at it, NYSUT ELT meets all of our member's professional learning needs!

Speaking of NYSUT members, did you know all of ELT's professional learning offerings are facilitated by your fellow brothers and sisters- your colleagues: teachers and school-related professionals? Educators who are walking in your shoes, know of your challenges and can relate. And the best part? ELT strategies can be brought back into your educational environment the very next day.

I am proud to share ELT's offerings, and I hope you will take advantage of ELT's 40 years of expertise. Please visit our website www.eltnysut.org and see what NYSUT's ELT can do for you!

In solidarity,

CERTIFICATION COURSES

ELT COURSES THAT FULFILL CERTIFICATION REQUIREMENTS

The following courses have been reviewed and approved by the NYS Education Department, Office of Teaching Initiatives, and are specified as fulfilling certification requirements for specific certification titles. Students must take courses for graduate credit for certification requirements and earn a minimum grade of B or higher.

Beyond the courses listed below, NYSUT cannot advise you as to which courses you should take to fulfill your specific certification requirements. NYSUT Education & Learning Trust strongly recommends that individuals seeking to fulfill specific certification course requirements consult the State Education Department's Certification Office at www.highered.nysed.gov/tcert when selecting courses to fulfill certification requirements.

All individuals pursuing their first teaching certificate should complete a registered program at an accredited university or college. As certification requirements may change, please check our website for the most current listing of approved courses.

Individuals pursuing additional certificates are required to complete six clock hours of coursework or training in Dignity for All Students Act (DASA) in accordance with Article 2 Sections 10-18 of the Education Law. This training is available through ELT or other providers approved by the New York State Education Department.

Be mindful: New York State regulation (effective Fall of 2016) requires that all graduate schools of education use a standardized test as part of the admission process. If you are planning to matriculate into a Graduate Education Program, you will have to take the Graduate Record Examination (GRE) in order to meet this new regulation.

STUDENTS WITH DISABILITIES (SWD):

Certified teachers, who seek an additional certification in Students with Disabilities at the same developmental level, can take **one course** under **each** of the four competency areas, for a **total** of 12 semester hours, to satisfy the requirement 'Additional Pedagogy – Students with Disabilities'.

- **Assessment, Diagnosis and Evaluation:**

EDUC 516M: Curricular Assessment and Behavior Management

- **Curriculum Instruction:**

EDUC 503M: Methods & Materials Students with Disabilities*

SED 661: Cooperative Learning for Students with Special Needs

- **Foundations of Special Education:**

UNY 729: Inclusion: Education for All, PreK-12

- **Managing Environment:**

EDUC 503M: Methods & Materials Students with Disabilities*

*If you choose to take EDUC 503M Methods and Materials for Students with Disabilities, you will fulfill two of the four competency areas. You may then take SED 672: Multiple Intelligences Theory & Practice, to use toward the 12 semester hour requirement.

Individuals pursuing this additional certificate will apply on their own to the State Education Department, pass the Content Specialty Test for Students with Disabilities and pass the corresponding Content Specialty Test (CST) - Multi-Subject (Birth – Grade 2/ Grade 1- 6/ Grade 7 - Grade 12) if not completed already, as well as complete the three-hour Autism workshop. (ELT is an approved provider for the mandated three-hour Autism workshop. Click [\(here\)](#) to find and register for seminars and course near you).

NOTE: Only 5 NYSUT ELT courses can be applied to a Master's partnership program with Mercy College (2 for Advanced Certificate). The remaining courses are taken online through Mercy.

Ten (10) hours Field Work is required. If completing Field Work, a Taskstream account is required.

*Please visit the Mercy College web site at www.mercy.edu or contact the Mercy College faculty identified in the Key Contact Information sections on our website at elt.nysut.org for more detailed information for each of the degree programs and certifications offered.

- **EDUC 648:** Dimensions of Learning and Literacy

IMPORTANT INFORMATION Students are NOT eligible to register for a Mercy sponsored course through NYSUT ELT or UFT if:

- they have already completed 15 Mercy College credits through NYSUT ELT or UFT;
- they are currently enrolled in a Mercy College degree or Advanced Certificate Program;
- they are on a financial hold with Mercy College, or they were academically dismissed by Mercy College

ELT is not responsible for reimbursement of tuition for students who register for any Mercy courses if they meet any of the above criteria.

Be mindful: New York State regulation (effective Fall of 2016) requires that all graduate schools of education use a standardized test as part of the admission process. If you are planning to matriculate into a Graduate Education Program, you will have to take the Graduate Record Examination (GRE) in order to meet this new regulation.

As of May 2018, current certified teachers or educational leaders who already hold a graduate degree are exempt from taking the standardized test. To become exempt it may be necessary to apply for a waiver through the admissions. Waivers may also be available for the 3.0 GPA requirement. Ask your admissions officer for more information about these policies.

Be mindful: New York State regulation (effective Fall of 2016) requires that all graduate schools of education require a 3.0 GPA (undergraduate) in their admissions criteria, and use a standardized test as part of the admission process. If you are planning to matriculate into a Graduate Education Program, you will have to take the Graduate Record Examination (GRE) or another test as indicated by the college you apply to.

As of May 2018, current certified teachers or educational leaders who already hold a graduate degree are exempt from taking the standardized test. To become exempt it may be necessary to apply for a waiver through the admissions. Waivers may also be available for the 3.0 GPA requirement.
