ABOUT THE SUMMER 2018 CATALOG

ELT courses meet the high academic standards of our higher education partners. The colleges have strict guidelines and expectations which ELT must adhere to for approving both our instructors as well as our courses.

ELT programs are modeled on best practices, current research-based strategies, classroom application, and are built on the principle of “members teaching members”. The NYS Teaching Standards were developed to provide a common foundation to improve teaching and learning in New York State. ELT has aligned all teacher seminars and courses to the teaching standards to assist our members in their professional development choices. For further information on the New York State Teaching Standards go to elt.nysut.org.

ELT’s Summer 2018 Catalog of Professional Learning Courses and Seminars offers online and classroom courses for graduate, undergraduate and inservice credit as well as seminars. Many courses may be used to satisfy degree requirements as well as electives. We offer professional development training in important public education issues, such as school quality, student achievement, the achievement gaps, teacher retention, special education, cultural diversity, classroom management, and more.

With you in mind our online and classroom courses are designed to fit your schedule!

NYSUT Education & Learning Trust is now an approved Sponsor of Continuing Teacher and Leadership Education (CTLE).

ELT COURSES THAT FULFILL CERTIFICATION REQUIREMENTS

The following courses have been reviewed and approved by the NYS Education Department, Office of Teaching Initiatives, and are specified as fulfilling certification requirements for specific certification titles. Students must take courses for graduate credit for certification requirements and earn a minimum grade of B or higher.

Beyond the courses listed below, NYSUT cannot advise you as to which courses you should take to fulfill your specific certification requirements. NYSUT Education & Learning Trust strongly recommends that individuals seeking to fulfill specific certification course requirements consult the State Education Department's Certification Office at www.highered.nysed.gov/tcert when selecting courses to fulfill certification requirements.

All individuals pursuing their first teaching certificate should complete a registered program at an accredited university or college. As certification requirements may change, please check our website for the most current listing of approved courses.

Individuals pursuing additional certificates are required to complete six clock hours of coursework or training in Dignity for All Students Act (DASA) in accordance with Article 2 Sections 10-18 of the Education Law. This training is available through ELT or other providers approved by the New York State Education Department.

Be mindful: New York State regulation (effective Fall of 2016) requires that all graduate schools of education use a standardized test as part of the admission process. If you are planning to matriculate into a Graduate Education Program, you will have to take the Graduate Record Examination (GRE) in order to meet this new regulation.

STUDENTS WITH DISABILITIES (SWD):

Certified teachers, who seek an additional certification in Students with Disabilities at the same developmental level, can take one course under each of the four competency areas, for a total of 12 semester hours, to satisfy the requirement under additional pedagogy.

- **Assessment, Diagnosis and Evaluation:**
  EDUC 516M: Curricular Assessment and Behavior Management

- **Curriculum Instruction:**
  EDUC 503M: Methods & Materials Students with Disabilities*
  SED 661: Cooperative Learning for Students with Special Needs

- **Foundations of Special Education:**
  UNY 729: Inclusion: Education for All, PreK-12

- **Managing Environment:**
  EDUC 503M: Methods & Materials Students with Disabilities*

If you choose to take EDUC 503M Methods and Materials for Students with Disabilities*, you will fulfill two of the four competency areas. You may then take SED 672: Multiple Intelligences Theory & Practice, to use toward the 12 semester hour requirement.

Individuals pursuing this additional certificate will apply on their own to the State Education Department, must pass the Content Specialty Test for Students with Disabilities, must pass the Content Specialty Test (CST) - Multi-Subject: Secondary Teachers (Grade 7 - Grade 12), as well as complete the three-hour Autism workshop. (ELT is an approved provider for the mandated three-hour Autism workshop).

LITERACY MASTER'S DEGREE
The NYSUT Education & Learning Trust (ELT) and Mercy College have partnered to deliver an online graduate education program to NYSUT members with flexible schedules at an affordable cost. NYSUT members can obtain a graduate degree and fulfill state certification requirements online. You do not need to be located within miles of a Mercy campus. Now all members across the state can take advantage of this opportunity!

PARTNERSHIP OVERVIEW
ELT courses are offered online so students can complete 5 courses in a few semesters or spread them over a longer period of time. Students register for NYSUT courses online at elt.nysut.org.

*After completing up to 5 courses with NYSUT with a B or better average, students formally apply to the college for matriculation into one of the partnership programs. These courses are available to NYSUT members pursuing a Master's degree program as well as those members interested in individual courses only (i.e., not pursuing the full degree program).

NOTE: Only 5 NYSUT ELT courses can be applied to a Master's partnership program with Mercy College (2 for Advanced Certificate). The remaining courses are taken online through Mercy.
Ten (10) hours Field Work is required. If completing Field Work, a Taskstream account is required.

*Please visit the Mercy College web site at www.mercy.edu or contact the Mercy College faculty identified in the Key Contact Information sections on our website at elt.nysut.org for more detailed information for each of the degree programs and certifications offered.

TEACHING LITERACY PROGRAM
This program leads to NYS certification in Literacy Birth - Grade 6 and Literacy Grades 5- 12 and requires 33 total credits. Applicants to the program are required to possess an initial teaching certificate.

NYSUT CORE COURSES
• EDUC 507: Approaches to Literacy Instruction in Early Childhood through Adolescence including Students with Disabilities
• EDUC 561: Literacy Instruction for Students with Special Needs
• EDUC 590: The Teaching of the Writing Process
• EDUC 573: Learning Technology Across the English Language Arts
• EDUC 648: Dimensions of Learning and Literacy

IMPORTANT INFORMATION Students are NOT eligible to register for a Mercy sponsored course through NYSUT ELT or UFT if:
• they have already completed 15 Mercy College credits through NYSUT ELT or UFT;
• they are currently enrolled in a Mercy College degree or Advanced Certificate Program;
• they are on a financial hold with Mercy College, or they were academically dismissed by Mercy College

ELT is not responsible for reimbursement of tuition for students who register for any Mercy courses if they meet any of the above criteria.

Be mindful: New York State regulation (effective Fall of 2016) requires that all graduate schools of education use a standardized test as part of the admission process. If you are planning to matriculate into a Graduate Education Program, you will have to take the Graduate Record Examination (GRE) in order to meet this new regulation.
